Plant a Community Hope Garden

Join Us

Wednesday, October 4, 2023

10:00 AM

**6006 West Girard Avenue
Philadelphia, PA 19151**

**ECS, Aetna Better Health Kids, and The Philadelphia Area
Community Health Council have partnered to bring a
Yellow Tulip Project Hope Garden to:
The Courtyard at St. Barnabas Community Resource Center.**

**Yellow tulips are a sign of hope. They are planted in the fall and must
endure the cold and dark of winter, a journey often faced by
individuals managing mental illness.**

**Join us for light refreshments, conversation about mental
wellbeing and to plant a garden with our community.**

If you have questions or you plan to attend
